CAREER & EDUCATION

- Since 2017 **W1 PROFESSOR**
Institute for Lung Research, Philipps-University Marburg, Germany
Topic: RNA-Biology of inflammation and infection
- 2015 - 2017 **JUNIOR GROUP LEADER**
Institute for Lung Research, Philipps-University Marburg, Germany
Topic: RNA-Biology of inflammation and infection
- 2013 - 2015 **POSTDOC**
Institute for Molecular Infection Biology, Würzburg, Germany
Mentor: Prof. Dr. Jörg Vogel
Project: Characterization of lncRNAs in human monocytes;
Development of a human intestinal tissue model for bacterial infection studies
(collaboration with **Fraunhofer IGB**)
- Januar 2013 **DR. RER. NAT.**
Humboldt University, Berlin, Germany
Final grade: summa cum laude ("with distinction")
- 2008 - 2012 **PHD STUDENT**
Max-Planck-Institute for Infection Biology, Berlin, Germany
(from 2011 on: Institute for Molecular Infection Biology, Würzburg)
Mentor: Prof. Dr. Jörg Vogel
Topic: Functions of miRNAs in innate immunity to microbial infection
- 2007 **DIPLOMA IN BIOLOGY**
Humboldt University, Berlin, Germany
Major: Molecular Biology / Genetics; *Final grade: 1.0 ("with distinction")*
